From

To

THE CHIEF SECRETARY TO THE GOVERNMENT

Sir,

Subject:— Nomination to the Committee of Management of the Bangalore Race Club.

It is learnt that the Committee of Management of the Bangalore Race Club has requested the Government to suggest nominees for one Steward and two Committee members to be co-opted on the above Committee.

In this connection I am to state that consequent upon the transfer of the Kunigal Stud Farm to the administrative control of this Department and in the light of instructions to make this farm pay for itself instead of running at a loss as hitherto, the Director of the Animal Husbandry Department has to keep himself in close touch with the Race Club and its members with a view to (1) seek financial contribution from Race Club to avert the present loss (2) to secure useful mares, which are declared unfit for racing, either free or at nominal rates for stud purposes so as to build up the foundation stock at little cost (3) to find the best possible offers for Kunigal bred racing stock (4) to secure additional mares under the 'Eve' Scheme and (5) to secure additional boarders at Kunigal, all of which are calculated to

p.t.o.

to safeguard the interests of this oldest stud farm and increase the revenues from this stud farm to the State.

As the above can be best achieved by serving on the Committee of the Board of Management of the Bangalore Race Club, I request that if there is no objection, Government may be pleased to nominate the Director of Animal Husbandry Department as one of the two Committee Members representing the interests of Government.

This may kindly be treated as urgent and important.

Yours faithfully,

P. M. Nanjundaraj Naidu
